Mr Akande Gabriel
Lagos, Nigeria.

Dear Mr Gabriel,

I would like to thank you for considering me for the Frontend Developer position at Pendulum Digital Limited. I'm delighted to work for Pendulum Digital Limited. Please consider this document as my formal acceptance letter.

As per my conversation during the interview via google meet with Mr Fiyinfoluwa, I understand that I'm able to pick and manage my working hours. My working hours will be 12 hours/week, extending from Monday through Thursday. However, I understand the job requires my availability for meetings between 10am - 10pm from Monday to Friday which is absolutely fine by me. Please let me know if there is any other policy I need to be aware of.

As a professional and an individual, I look forward to growing with Pendulum Digital Limited. I hope to contribute positively to the company's success and assist in achieving its goals and milestones.

Thank you once again for believing in my abilities and giving me this chance.
